Boys of Alabama: A Novel

"Constitution" and Guerriere." Lake Erie. "Monitor" and "Merrimac." "Kearsarge" and "Alabama." Mobile bay. Lissa. Augames. Manila Bay. Santiago

The most significant conquest of the twentieth century may well have been the triumph of American consumer society over Europe's bourgeois civilization. It is this little-understood but world-shaking campaign that unfolds in de Grazia's account of how the American standard of living defeated the European way of life and achieved the global cultural hegemony that is both its great strength and its key weakness today. Tracing the peculiar alliance that arrayed New World salesmanship, statecraft, and standardized goods against the

Old World's values of status, craft, and good taste, de Grazia describes how all alternative strategies fell before America's consumer-oriented capitalism--first the bourgeois lifestyle, then the Third Reich's command consumption, and finally the grand experiment of Soviet-style socialist planning.--From publisher description.

Phenix City, Alabama in the 1950s was a lawless place. Attempts were made to clean it up but it wasn't until the assassination of the attorney general-elect of Alabama that troops were called in to help.

An Irresistible History of Southern Food

Ebook PDF Format An Irresistible History Of Alabama Barbecue From Wood Pit To White Sauce American Palate Alabama Library List

Memphis is equal parts music and food--the products of a community marked with grit and resiliency. The city's blues and soul music have lifted spirits, while barbecue has been a serious business ever since pork first entered the culinary landscape of Memphis with Spanish explorer Hernando de Soto, who brought the New World its first herd of pigs. Succulent pulled pork and ribs have become part of the fabric of life in the River City, and today they are cooked up in kitchens ranging from the internationally acclaimed, like Corky's, to the humblest of roadside dives. Told through the history of its barbecue is the story of the city of Memphis, from legendary joints like Leonard's Barbecue, where Elvis Presley hosted private parties, to lesser-known places like William's Bar-B-Q in the West Memphis, Arkansas neighborhood where wild, late-night blues juke joints served as a red-light district across the river from Beale Street in the 1950s and '60s. Sink your teeth into this rich history chock-full of interviews and insights from the city's finest pitmasters and 'cue gurus who continue the long tradition of creating art with meat and flame.

The History and Debates of the Convention of the
People of Alabama

From Muscle Shoals to Mobile, Alabamians enjoy fabulous barbecue at home, at club meetings and at countless eateries. In the 1820s, however, a group of reformers wanted to eliminate the southern staple because politicians used it to entice voters. As the state and nation changed through wars and the civil rights movement, so did Alabama barbecue. Alabama restaurants like Big Bob Gibson's, Dreamland and Jim 'n Nick's have earned fans across the country. Mark A. Johnson traces the development of the state's famous food from the earliest settlement of the state to the rise of barbecue restaurants.

The student's manual of oriental history. A manual of the ancient history of the East to the commencement of the Median wars, by F. Lenormant and E. Chevallier

ALABAMA RIVERS, A CELEBRATION AND CHALLENGE invites you to travel down rivers and through time to encounter the rich human history and natural wonders that have defined Alabama. Along the way, you will celebrate an array of magnificent rivers filled with unique plants and animals, shaped over the ages by a remarkably diverse geology. You will appreciate how rivers have served people from the first Paleo-Indian settlements to the present. Accept the challenge to restore and protect our rivers for their economic, cultural, and ecological benefits, but most of all because it is the right thing to do.

History of the First United Methodist Church of Ozark, Alabama

Fried chicken, rice and gravy, sweet potatoes, collard greens and spoon bread - all good old fashioned, down-home southern foods, right? Wrong. The fried chicken and collard greens are African, the rice is from Madagascar, the sweet potatoes came to Virginia from the Peruvian Andes via Spain, and the spoon bread is a marriage of Native American corn with the French soufflé technique thought up by skilled African American cooks. Food historian Rick McDaniel takes 150 of the South's best-loved and most delicious recipes and tells how to make them and the history behind them. From fried chicken to gumbo to Robert E. Lee Cake, it's a history lesson that will make your mouth water. What southerners today consider traditional southern cooking was really one of the world's first international cuisines, a mélange of European, Native American and African foods and influences brought together to form one of the world's most unique and recognizable cuisines.

The Coretta Scott King Award – winning *Gone Crazy in Alabama* by Newbery Honor and New York Times bestselling author Rita Williams-Garcia tells the story of the Gaither sisters as they travel from the streets of Brooklyn to the rural South for the summer of a lifetime. Delphine, Vonetta, and Fern are off to Alabama to visit their grandmother Big Ma and her mother, Ma Charles. Across the way lives Ma Charles's half sister, Miss Trotter. The two half sisters haven't spoken in years. As Delphine hears about her family history, she uncovers the surprising truth that's been keeping the sisters apart. But when tragedy strikes, Delphine discovers that the bonds of family run deeper than she ever knew possible. Powerful and humorous, this companion to the award-winning *One Crazy Summer* and *P.S. Be Eleven* will be enjoyed by fans of the first two books, as well as by readers meeting these memorable sisters for the first time. Readers who enjoy Christopher Paul Curtis's *The Watsons Go to Birmingham* and Jacqueline Woodson's *Brown Girl Dreaming* will find much to love in this book. Rita Williams-Garcia's books about Delphine, Vonetta, and Fern can also be read alongside nonfiction explorations of American history such as Jason Reynolds's and Ibram X. Kendi's books. Each humorous, unforgettable story in this trilogy follows the sisters as they grow up during one of the most tumultuous eras in recent American history, the 1960s. Read the adventures of eleven-year-old Delphine and her younger sisters, Vonetta and Fern, as they visit their kin all over the rapidly changing nation—and as they discover that the bonds of family, and their own strength, run deeper than they ever knew possible. “The Gaither sisters are an irresistible trio. Williams-Garcia excels at conveying defining moments of American society from their point of view.” —Publishers Weekly (starred review) Coretta Scott King Award winner * ALA Notable Book * School Library Journal Best Book of the Year * Kirkus Reviews Best Book of

NEW YORK TIMES BESTSELLER The beloved Fannie Flagg
is at her irresistible and hilarious best in *I Still Dream About
You*, a comic mystery romp through the streets of
Birmingham, Alabama, past, present, and future. Meet
Maggie Fortenberry, a still beautiful former Miss Alabama. To
others, Maggie's life seems practically perfect—she's lovely,
charming, and a successful agent at Red Mountain Realty.
Still, Maggie can't help but wonder how she wound up living a

life so different from the one she dreamed of as a child. But just when things seem completely hopeless, and the secrets of Maggie's past drive her to a radical plan to solve it all, Maggie discovers, quite by accident, that everybody, it seems, has at least one little secret. *I Still Dream About You* is a wonderful novel that is equal parts southern charm, murder mystery, and that perfect combination of comedy and old-fashioned wisdom that can be served up only by America's own remarkable Fannie Flagg. Praise for *I Still Dream About You* "[Fannie Flagg is] a born storyteller."—The New York Times Book Review "Undoubtedly [Flagg's] wisest book, comic and compassionate . . . Born of a tender heart and nurtured by an imaginative mind, it's certain to touch the reader's soul."—Richmond Times Dispatch "A fun and rollicking Nancy Drew mystery for grown-ups."—The Birmingham News "Classic Fannie . . . What [Flagg] writes about, time and again, are the touching, terrifying, heartbreaking, hysterical, extraordinary, everyday things that make us human."—Southern Living

Ebook PDF Format An Irresistible History Of Alabama Barbecue From Wood Pit To White Sauce American Palate

arrived in Alabama, falls in love, questions his faith, and navigates a strange power. While his German parents don't know what to make of a South pining for the past, shy Max thrives in the thick heat. Taken in by the football team, he learns how to catch a spiraling ball, how to point a gun, and how to hide his innermost secrets. Max already expects some of the raucous behavior of his new, American friends—like their insatiable hunger for the fried and cheesy, and their locker room talk about girls. But he doesn't expect the comradery—or how quickly he would be welcomed into their world of basement beer drinking. In his new canvas pants and thickening muscles, Max feels like he's "playing dress-up." That is until he meets Pan, the school "witch," in Physics class: "Pan in his all black. Pan with his goth choker and the gel that made his hair go straight up." Suddenly, Max feels seen, and the pair embarks on a consuming relationship: Max tells Pan about his supernatural powers, and Pan tells Max about the snake poison initiations of the local church. The boys, however, aren't sure whose past is darker, and what is more frightening—their true selves, or staying true in Alabama. Writing in verdant and visceral prose that builds to a shocking conclusion, Genevieve Hudson "brilliantly reinvents the Southern Gothic, mapping queer love in a land where God, guns, and football are king" (Leni Zumas, author of *Red Clocks*). *Boys of Alabama* becomes a nuanced portrait of masculinity, religion, immigration, and the adolescent pressures that require total conformity.
