deep frying. Was it too good to be believed? And what can you cook in them besides French fries? In truth, air fryers cook food by blasting it with circulated hot air. The method is fast, convenient, and can be surprisingly good--if you have right recipe. We cooked more than 70 pounds of potatoes to create the perfect air fryer French fry, with an evenly crisp exterior and creamy center. But what really drew us to this appliance was the variety of what you can make in it, effortlessly and without having to enlist numerous pots and pans. In addition to crispy fried chicken and fries, you'll turn out evenly cooked steaks, such as Chipotle-Coffee Rubbed Steaks with Snap Pea Salad (the spice rub gives them a bold crust), Sweet and Smoky Pork Tenderloin with Roasted Butternut Squash (the pork cooks directly on top of the squash to save time), and Tandoori Chicken Thighs. Many of the recipes yield both a main and a side for a complete meal. Most recipes take only 45 minutes or even less time, and all come with complete nutrition information. Frozen foods cook up crisp in the air fryer, but the results are so much better when you start with homemade. So we offer freeze-it-yourself Chicken Nuggets, Beef Hand Pies, and more that go straight from freezer to air fryer and cook to perfection. And we share plenty of kid-friendly meals and snacks, from Better Than Boxed Fish Sticks to Zucchini Fries.

A PRACTICAL GUIDE FOR CULTIVATING SPIRITUAL TRANSFORMATION-IN THE WAYS OF JESUS For those who long for real transformation and hunger to experience God's goodness in a way that changes their daily experience of life, author Brandon Cook offers a guide for authentic transformation in Christ. With 52 readings, you can read this over the course of a year or at your own pace, individually or in a small group. Learning to Live and Love Like Jesus will help you understand what transformation is and how it actually happens. At the heart of this book, you will see how Christian discipleship is about living for others in new ways and being empowered to love as Jesus loves. Cook applies his experience working for several transformational Christian ministries and from pastoring a local church for over a decade, where he learned how to help people relate to God, self, and others in whole and healthy ways. Having wrestled for over 20 years with the challenges of sustainable character formation, he has written this "long-soaking" resource-one that takes time to sink in, yet produces genuine life change. Search no longer for a practical roadmap of transformation. If transformation has felt inaccessible or too "mystical" for you, and if you're looking for a resource to ground your life in Christian discipleship, read this book from The Bonhoeffer Project's co-founder. It will help you engage God through practices and habits that have the potential to change your life. You'll walk away with a fresh sense of God's presence, hope that leads to new possibilities, and a vibrant sense of purpose and mission in the world.
