Bar-B-Q aficionados from around the world pilgrimage to Memphis for John

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

Willingham's famous, braggin' rights Bar-B-Q Feisty debates have erupted right there, in the midst of fire and smoke, over whether Willingham's ribs with Memphis-style sauce or his World Champion Brisket rubbed with Hot Seasoning are his best. And no one goes home before they've had his gooey, rich shoofly pie. Authentic Bar-B-Q is as American as the Fourth of July, but often it takes a search party to find the real thing. Now, for the first time, John Willingham, winner of more major grand champion Bar-B-Q awards than anyone else in history, shares his celebrated recipes for a complete Bar-B-Q feast. At the heart of this book are Willingham's acclaimed recipes for mouthwatering beef, pork, fish, and chicken Bar-B-Q. Here are clear instructions for determining what type of cooker to use; laying a perfect fire to minimize smoke and maximize taste; preparing and using assorted dry rubs and marinades; getting a rich, marbled taste out of any cut of meat. The result is such triumphs as Grilled Pork Loin Roast, tender on the inside, golden on the outside; fresh, subtle Herbed Shrimp with Basil; Honey Mustard-Glazed Ribs that can be prepared in a snap; and Hot Sauce-Marinaded Chicken. But it's not just the perfectly prepared meats and sauces on which Willingham lavishes special attention. No Bar-B-Q feast would be complete without starters, salads, fixin's, slaws, and dessert. And Willingham has the blue ribbon recipes for them all. Take, for example, his Smokin' Fastball Wings cooked over hickory or apple wood, melt-in-your-mouth Angel Biscuits, or stand-up spicy Cajun Coleslaw. To cool off, there's Grandma's Raisin Bread Pudd'n with Rum Sauce, Old-Fashioned Custard Pie, or rich Maple Sauce spooned over ice cream to mention just a few, for dessert. John Willingham explains

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

what real Bar-B-Q is and isn't--and provides the techniques and tips that have won him accolades but are so simple even a backyard 'cuer can use them. Down-home and authentic, John Willingham's World Champion Bar-B-Q is the sourcebook for weekend enthusiasts and world-class chefs ready to follow in the Willingham tradition of creating delicious Bar-B-Q masterpieces.

Cook-Off America

We already know what works in schools; we just need to focus on getting it right. This is the premise of *Simply Better: Doing What Matters Most to Change the Odds for Student Success*, which offers a practical, research-based framework for improving student achievement. According to author Bryan Goodwin, decades of research have shown time and again that focusing on the following five essential practices can vastly increase students' chances of doing well in school: *

- Guaranteeing that instruction is challenging, engaging, and intentional
- Ensuring curricular pathways to success
- Providing whole-child student supports
- Creating high-performance school cultures
- Developing data-driven, high-reliability district systems

Whether at the district-, school-, or classroom-level, educators don't need to reinvent the wheel or pursue the latest trends to ensure that students succeed. This powerful book reveals what research clearly shows works best in schools, and provides a valuable blueprint for turning that knowledge into visible results.

Food & Wine

Indulge your naughtiest food fantasies and satisfy your gluttony and lust with this succulent cook-and-look book, from a self-described “burger pervert” and creator of the notorious PornBurger blog. PornBurger is Washington, DC, chef, food stylist, and creative producer Mathew Ramsey’s orgasmic experiment: ingredient-driven, flavor-intense, sensually divine excess that caters to the food fetishist in all of us.

Shamelessly health-unconscious and ready to entertain (or offend), Ramsey’s recipes deliver the ultimate in debauched burger stackography—handcrafted buns, patties, toppings, and sides, even some boozy beverages—expertly designed and lusciously photographed in a set of bombshell burger pinups. But don’t be fooled by raunchy descriptions and Ramsey’s signature burger puns, like the Bill U Murray Me?, Spamela Anderson, and the Willem DaFoe – nut. This burger freak is a culinary-school-educated chef devoted to the dark arts of hamburgery. Ramsey shows you how to master as many essential cooking techniques as he offers graphically delicious images to ogle. Whet your appetite with delectable concoctions like the Horn Dog: clover honey, whole kernel corn jalapeño batter, slow-roasted pork belly, pickled hot dog, two smash-cooked PornBurger beef patties; the James Francophile: quick pickled beets, truffled demi-glace, Gruyère de Comté, one PornBurger beef patty, bone marrow onion jam, potato-chip-crustéd fois gras gougère; and I Woke Up Like This: sriracha mustard, arugula, smoked bacon, American cheese, fried chicken thigh, quick-pickled hamburger dills, White Castle cheeseburger waffle. Combining

tantalizing meat blends, grinds, and cooking methods, a tempting range of vegetarian and pescatarian delights, and lip-smacking custom ketchups and pickles, PornBurger offers the ultimate dining experience and entices you to create your own culi-naughty adventure. Every element of every burger is open to reinterpretation—with PornBurger, get weird, get wild, and leave no burger fantasy unimagined . . . or uneaten.

I Am Spartacus!

A “ lively ” memoir by the Hollywood legend about the making of Spartacus, with a foreword by George Clooney (Los Angeles Times). One of the world ’ s most iconic movie stars, Kirk Douglas has distinguished himself as a producer, philanthropist, and author of ten works of fiction and memoir. Now, more than fifty years after the release of his enduring epic Spartacus, Douglas reveals the riveting drama behind the making of the legendary gladiator film. Douglas began producing the movie in the midst of the politically charged era when Hollywood ’ s moguls refused to hire anyone accused of Communist sympathies. In a risky move, Douglas chose Dalton Trumbo, a blacklisted screenwriter, to write Spartacus. Trumbo was one of the “ Unfriendly Ten, ” men who had gone to prison rather than testify before the House Un-American Activities Committee about their political affiliations. Douglas ’ s source material was already a hot property, as the novel Spartacus was written by Howard Fast while he was in jail for defying HUAC. With the financial future of his young family at stake, Douglas plunged into a tumultuous production both on- and off-screen. As both

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

producer and star of the film, he faced explosive moments with young director Stanley Kubrick, struggles with a leading lady, and negotiations with giant personalities, including Sir Laurence Olivier, Charles Laughton, Peter Ustinov, and Lew Wasserman. Writing from his heart and from his own meticulously researched archives, Kirk Douglas, at ninety-five, looks back at his audacious decisions. He made the most expensive film of its era—but more importantly, his moral courage in giving public credit to Trumbo effectively ended the notorious Hollywood blacklist. A master storyteller, Douglas paints a vivid and often humorous portrait in *I Am Spartacus!* The book is enhanced by newly discovered period photography of the stars and filmmakers both on and off the set.

The Saxons in England

Easy, original and family-tested recipes help make every occasion a little more memorable. Recipes from Memphis notables, menus to make your busy life effortless, and a special section on "Kids in the Kitchen" combine to make this book not only a keepsake of Memphis, but a welcome addition in your kitchen.

The Cumulative Book Index

Working medievalists are often the only scholar of the Middle Ages in a department,

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

a university, or a hundred-mile radius. While working to build a body of focused scholarly work, the lone medievalist is expected to be a generalist in the classroom and a contributing member of a campus community that rarely offers disciplinary community in return. As a result, overtasked and single medievalists often find it challenging to advocate for their work and field. As other responsibilities and expectations crowd in, we come to feel disconnected from the projects and subjects that sustain our intellectual passion. An insidious isolation even from one another creeps in, and soon, even attending a conference of fellow medievalists can become a lonely experience. Surrounded by scholars with greater institutional support, lower teaching loads, or more robust research agendas, we may feel alienated from our work - the work to which we've dedicated our careers. *The Lone Medievalist* (the collaborative community and the book) is intended as an antidote to the problem of professional isolation. It is offered in the spirit of common weal that marks the ideals (if not always the realities) of so many of the communities we study - agricultural, professional, national, notional, and of course, monastic. *The Ballad of the Lone Medievalist* isn't only about scholarship, or teaching, or institutional life, or the pursuit of new learning - it's about all of them. The essays in this volume address all aspects of the professional and intellectual life of medievalists. Though many of us acknowledge and address the challenges in being Lone Medievalists, these essays are not intended as *voces clamantium*; they are offered to provide strategies, camaraderie, and an occasional bit of inspiration. They are a call to action, a sharing of hard-won wisdom, and a helping hand - and, above all, a reminder that we are not

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

alone.

Inside Honors

Headstrong Johanna Berglund, a linguistics student at the University of Minnesota, has very definite plans for her future . . . plans that do not include returning to her hometown and the secrets and heartaches she left behind there. But the US Army wants her to work as a translator at a nearby camp for German POWs. Johanna arrives to find the once-sleepy town exploding with hostility. Most patriotic citizens want nothing to do with German soldiers laboring in their fields, and they're not afraid to criticize those who work at the camp as well. When Johanna describes the trouble to her friend Peter Ito, a language instructor at a school for military intelligence officers, he encourages her to give the town that rejected her a second chance. As Johanna interacts with the men of the camp and censors their letters home, she begins to see the prisoners in a more sympathetic light. But advocating for better treatment makes her enemies in the community, especially when charismatic German spokesman Stefan Werner begins to show interest in Johanna and her work. The longer Johanna wages her home-front battle, the more the lines between compassion and treason become blurred--and it's no longer clear whom she can trust.

The Ballad of the Lone Medievalist

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

Noise is usually defined as unwanted sound: loud music from a neighbor, the honk of a taxicab, the roar of a supersonic jet. But as Garret Keizer illustrates in this probing examination, noise is as much about what we want as about what we seek to avoid. It has been a byproduct of human striving since ancient times even as it has become a significant cause of disease in our own. At heart, noise provides a key for understanding some of our most pressing issues, from social inequality to climate change. In a journey that leads us from the Tanzanian veldt to the streets of New York, Keizer deftly explores the political ramifications of noise, America's central role in a loud world, and the environmental sustainability of a quieter one. The result is a deeply satisfying book—one guaranteed to change how we hear the world, and how we measure our own personal volume within it.

Midnight in the Garden of Good and Evil

Memphis is equal parts music and food--the products of a community marked with grit and resiliency. The city's blues and soul music have lifted spirits, while barbecue has been a serious business ever since pork first entered the culinary landscape of Memphis with Spanish explorer Hernando de Soto, who brought the New World its first herd of pigs. Succulent pulled pork and ribs have become part of the fabric of life in the River City, and today they are cooked up in kitchens ranging from the internationally acclaimed, like Corky's, to the humblest of roadside dives. Told through the history of its barbecue is the story of the city of Memphis, from

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

legendary joints like Leonard's Barbecue, where Elvis Presley hosted private parties, to lesser-known places like William's Bar-B-Q in the West Memphis, Arkansas neighborhood where wild, late-night blues juke joints served as a red-light district across the river from Beale Street in the 1950s and '60s. Sink your teeth into this rich history chock-full of interviews and insights from the city's finest pitmasters and 'cue gurus who continue the long tradition of creating art with meat and flame.

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

Memphis Barbecue

Easy-to-apply, scientifically-based approaches for engaging students in the classroom Cognitive scientist Dan Willingham focuses his acclaimed research on the biological and cognitive basis of learning. His book will help teachers improve their practice by explaining how they and their students think and learn. It reveals-the importance of story, emotion, memory, context, and routine in building knowledge and creating lasting learning experiences. Nine, easy-to-understand principles with clear applications for the classroom Includes surprising findings, such as that intelligence is malleable, and that you cannot develop "thinking skills" without facts How an understanding of the brain's workings can help teachers hone their teaching skills "Mr. Willingham's answers apply just as well outside the classroom. Corporate trainers, marketers and, not least, parents -anyone who cares about how we learn- should find his book valuable reading." —Wall Street Journal

Library Journal

The debate over sexual violence on campus is reaching fever pitch, from headlines about out-of-control fraternities, to the "mattress protests" by female students at Columbia University and other colleges. *The Hunting Ground*, the new documentary by award-winning filmmakers Kirby Dick and Amy Ziering, has taken this debate to a new level, becoming a galvanizing catalyst for discussion at the hundreds of campuses where the documentary is being screened each month. The film has sparked calls for legislation by Governor Andrew M. Cuomo of New York and other prominent public figures and sparked a backlash from university administrators, fraternities, and conservative groups. Now, in a new companion volume to the film, all those concerned about the "rape culture" on campus will be offered an inside perspective on the controversy, as well as reactions to the film from a range of leading writers and guidance on how to learn more and get active. As in the film, it's the gripping personal stories told by female students—and the obstinate refusal of college administrators and law enforcement authorities to recognize the severity of the problem—that will rivet readers.

Alter Egos

The American South embodies a powerful historical and mythical presence, both a complex environmental and geographic landscape and a place of the imagination. Changes in the region's contemporary socioeconomic realities and new developments in scholarship have been incorporated in the conceptualization and approach of *The*

Why Don't Students Like School?

The deeply reported story of two supremely ambitious figures, Barack Obama and Hillary Clinton—archrivals who became partners for a time, trailblazers who share a common sense of their historic destiny but hold very different beliefs about how to project American power In *Alter Egos*, veteran New York Times White House correspondent Mark Landler takes us inside the fraught and fascinating relationship between Barack Obama and Hillary Clinton—a relationship that has framed the

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

nation's great debates over war and peace for the past eight years. In the annals of American statecraft, theirs was a most unlikely alliance. Clinton, daughter of an anticommunist father, was raised in the Republican suburbs of Chicago in the aftermath of World War II, nourishing an unshakable belief in the United States as a force for good in distant lands. Obama, an itinerant child of the 1970s, was raised by a single mother in Indonesia and Hawaii, suspended between worlds and a witness to the less savory side of Uncle Sam's influence abroad. Clinton and Obama would later come to embody competing visions of America's role in the world: his, restrained, inward-looking, painfully aware of limits; hers, hard-edged, pragmatic, unabashedly old-fashioned. Spanning the arc of Obama's two terms, *Alter Egos* goes beyond the speeches and press conferences to the Oval Office huddles and South Lawn strolls, where Obama and Clinton pressed their views. It follows their evolution from bitter rivals to wary partners, and then to something resembling rivals again, as Clinton defined herself anew and distanced herself from her old boss. In the process, it counters the narrative that, during her years as secretary of state, there was no daylight between them, that the wounds of the 2008 campaign had been entirely healed. The president and his chief diplomat parted company over some of the biggest issues of the day: how quickly to wind down the wars in Iraq and Afghanistan; whether to arm the rebels in Syria; how to respond to the upheaval in Egypt; and whether to trust the Russians. In Landler's gripping account, we venture inside the Situation Room during the raid on Osama bin Laden's compound, watch Obama and Clinton work in tandem to salvage a conference on climate change in

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

Copenhagen, and uncover the secret history of their nuclear diplomacy with Iran—a story with a host of fresh disclosures. With the grand sweep of history and the pointillist detail of an account based on insider access—the book draws on exclusive interviews with more than one hundred senior administration officials, foreign diplomats, and friends of Obama and Clinton—Mark Landler offers the definitive account of a complex, profoundly important relationship. As Barack Obama prepares to relinquish the presidency, and Hillary Clinton makes perhaps her last bid for it, how both regard American power is a central question of our time. Advance praise for *Alter Egos* “ A superb journalist has brought us a vivid, page-turning, and revelatory account of the relationship between Barack Obama and Hillary Clinton, as well as of their statecraft. *Alter Egos* will make a signal contribution to the national debate over who should be the next American president. ” —Michael Beschloss, bestselling author of *Presidential Courage* “ Mark Landler, one of the best reporters working in Washington today, delivers an inside account of Hillary Clinton ’ s relationship with Barack Obama that brims with insight and high-level intrigue. It ’ s both fun to read and eye-opening. ” —Jane Mayer, bestselling author of *Dark Money: The Hidden History of the Billionaires Behind the Rise of the Radical Right* From the Hardcover edition.

In *THE LIMIT*, Michael Cannell tells the enthralling story of Phil Hill—a lowly California mechanic who would become the first American-born driver to win the Grand Prix—and, on the fiftieth anniversary of his triumph, brings to life a vanished world of glamour, valor, and daring. With the pacing and vivid description of a novel, *THE LIMIT* charts the journey that brought Hill from dusty California lots racing midget cars into the ranks of a singular breed of men, competing with daredevils for glory on Grand Prix tracks across Europe. Facing death at every turn, these men rounded circuits at well over 150 mph in an era before seat belts or roll bars—an era when drivers were "crushed, burned, and beheaded with unnerving regularity." From the stink of grease-smothered pits to the long anxious nights in lonely European hotels, from the tense camaraderie of teammates to the trembling suspense of photo finishes, *THE LIMIT* captures the 1961 season that would mark the high point of Hill's career. It brings readers up close to the remarkable men who surrounded Hill on the circuit—men like Hill's teammate and rival, the soigné and cool-headed German count Wolfgang Von Trips (nicknamed "Count Von Crash"), and Enzo Ferrari, the reclusive and monomaniacal padrone of the Ferrari racing empire. Race by race, *THE*

LIMIT carries readers to its riveting and startling climax-the final contest that would decide it all, one of the deadliest in Grand Prix history.

Models for Writers

Development economics and policy are due for a redesign. In the past few decades, research from across the natural and social sciences has provided stunning insight into the way people think and make decisions. Whereas the first generation of development policy was based on the assumption that humans make decisions deliberately and independently, and on the basis of consistent and self-interested preferences, recent research shows that decision making rarely proceeds this way. People think automatically: when deciding, they usually draw on what comes to mind effortlessly. People also think socially: social norms guide much of behavior, and many people prefer to cooperate as long as others are doing their share. And people think with mental models: what they perceive and how they interpret it depend on concepts and worldviews drawn from their societies and from shared histories. The World Development Report 2015 offers a concrete look at how these insights apply to development policy. It shows how a richer view of human behavior can help achieve development goals in many areas, including early childhood development, household finance, productivity, health, and climate change. It also shows how a more subtle view of human behavior provides new tools for interventions. Making even minor adjustments to a decision-making context, designing interventions based on an

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

understanding of social preferences, and exposing individuals to new experiences and ways of thinking may enable people to improve their lives. The Report opens exciting new avenues for development work. It shows that poverty is not simply a state of material deprivation, but also a tax ? on cognitive resources that affects the quality of decision making. It emphasizes that all humans, including experts and policy makers, are subject to psychological and social influences on thinking, and that development organizations could benefit from procedures to improve their own deliberations and decision making. It demonstrates the need for more discovery, learning, and adaptation in policy design and implementation. The new approach to development economics has immense promise. Its scope of application is vast. This Report introduces an important new agenda for the development community.

Delicious slow-smoked barbecue is a star-spangled American specialty, and there's nobody who knows how to put a barbecue smile on people's faces like Ray Lampe, the barbecue chef better known as Dr. BBQ. In Dr. BBQ's Big-Time Barbecue Cookbook, Ray shows every backyard chef how to bring the slow-smoked goodness of real barbecue to the table with a minimum of fuss and a maximum of finger-lickin' goodness. In chapters devoted to equipment, tools, and fuel, he shows readers how easy it is to prepare authentic barbecue with the best rubs, marinades, and mops this side of Arthur Bryant's. Dr. BBQ parts with some of his most treasured recipes so that your picnic table can groan with the likes of: Dr. BBQ's Big-Time Competition Brisket Dirty Dick's Cajun Ribeye Roast Meat Loaf for Lisa Marie Kansas City--Style Pork Butt Backyard Championship Ribs Chicago-Style Rib Tips Cured and Pecan-Smoked King Salmon Dr. BBQ's Sweet and Spicy Pork Loin Paradise Ridge Stuffed Lobster Sherry Butter Turkey Pork Chops Rancheros In a book filled with great recipes, surefire techniques, and tall tales from the barbecue trail, Dr. BBQ brings the best of American barbecue to you and your family.

John Willingham's World Champion Bar-B-q

A blueprint for criminal justice reform that puts a new generation of public defenders front and center in the fight for legal equality Combining wisdom drawn from over a dozen years as a public defender and cutting-edge research in the fields of organizational and cultural psychology, Jonathan Rapping reveals the pervasive

Free Reading John Willingham's World Champion Bar B Q Over 150 Recipes And Tall Tales For Authentic

issues inherent in our current system of public defense, and lays the foundation for how model public defense programs should work to end mass incarceration. Public defenders represent over eighty percent of those who interact with the court system, a disproportionate number of whom are poor, non-white citizens who rely on them to navigate the law on their behalf. More often than not, even the most well-meaning of those defenders are over-worked, under-funded, and incentivized to put the interests of judges and politicians above those of their clients in a culture that beats the passion out of talented, driven advocates, and has led to an embarrassingly low standard of justice for those who depend on the promises of *Gideon v. Wainwright*. However, rather than arguing for a change in rules that govern the actions of lawyers, judges, and other advocates, Rapping proposes a radical cultural shift to a "fiercely client-based ethos" driven by values-based recruitment and training, awakening defenders to their role in upholding an unjust status quo, and a renewed pride in the essential role of moral lawyering in a democratic society. Through the story of founding Gideon's Promise and anecdotes of his time as a defender and teacher, Rapping reanimates the possibility of public defenders serving as a radical bulwark against government oppression and a megaphone to amplify the voices of those they serve.

Simply Better

NOW A NETFLIX ORIGINAL SERIES • #1 NEW YORK TIMES BESTSELLER With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187 – 424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.” —People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.” —Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend.
